Report on Review of Interim Condensed Consolidated Financial Statements

**To: The Shareholders of
The Saudi Investment Bank
(A Saudi Joint Stock Company)**

Introduction

We have reviewed the accompanying interim condensed consolidated statement of financial position of The Saudi Investment Bank (“the Bank”) and its subsidiaries (collectively referred to as “the Group”) as at 31 March 2017, and the related interim consolidated income statement and the interim consolidated statements of comprehensive income, changes in equity and cash flows for the three-month period then ended, and other explanatory notes (the “interim condensed consolidated financial statements”). Management is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with International Accounting Standard 34 “Interim Financial Reporting” (“IAS 34”) and Saudi Arabian Monetary Authority (“SAMA”) guidance on the accounting of zakat and tax. Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, “Review of Interim Financial Information Performed by the Independent Auditor of the Entity”, as endorsed in the Kingdom of Saudi Arabia. A review of interim condensed consolidated financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing as endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not prepared, in all material respects, in accordance with IAS 34 and SAMA guidance on accounting of zakat and tax.

Other Regulatory Matters

As required by SAMA, certain capital adequacy information has been disclosed in note (17) of the accompanying interim condensed consolidated financial statements. As part of our review, we compared the information in note (17) to the relevant analysis prepared by the Bank for submission to SAMA and found no material inconsistencies.
